

hereby recognizes

Life Flight Services - St. Lucia

as a
Program Member

Certified Flight Communicator

Communication Leadership Course

This certificate shows that the personnel at the above program have completed and met all needed training and education of personnel from the International Association of Medical Transport Communication Specialists (IAMTCS) and is in good standing with IAMTCS as of:

March 2024

IAMTCS is a non-profit professional organization that certifies communication specialists and personnel, provides education and standardization for communication centers, and fosters teamwork and recognition within the medical transport industry.

(Certified Flight Communicator certification valid for three years unless renewed)
